29 MAR 1930

To

N. Rama Rao, Esq., B.A., B.L.,
Secretary to the Government of His Highness the
Maharaja of Mysore, Development Departments,
B a n g a l o r e.

S i r,

With reference to your letter No. D. 10277/J.S. 19-29-2 dated 17th March 1930, I have the honour to note on the margin* the number of Receipts and Issues of this office for the last 3 years from 1926-27 to 1928-29.

*	Receipts	Issues
1926-27 ...	1356	1208
1927-28 ...	1689	1729
1928-29 ...	1364	1655

Many of these Receipts contain more than one document of varying length and some of them as has already been explained by my predecessor in his letter No. 1027 dated 20th January 1927 take more than 3 or 4 days for scrutiny. Even though the Head Clerk and clerk work very hard and also overtime it has not been found possible to dispose of the papers without some delay. As stated by my predecessor in the same letter referred to above, the work is being done somewhat in a hurry in attempting to be prompt. In these circumstances it is absolutely necessary that the temporary hand should form part of the permanent establishment of this office. I therefore request that the appointment may kindly be made permanent.

2. The only scriptory work suggested in the audit note as capable of reduction relates to the rejection by the Registrar himself of the applications for auditor's certificates which do

not

not fulfil the conditions laid down by the rules. Government in their Notification No. I.C. 6340 dated 7th February 1927, changed the Rules on the subject and since then the defective applications are being rejected by me without their being sent to Government. This has not appreciably reduced the work of the office. Scriptory work in other directions has been minimised as elaborate and unnecessary correspondence is being avoided.

I have the honour, to be,

S i r,

Your most obedient servant,

J. Majagopal
